coming along?  
MCA practice testing /  
Test skills

##### **Thursday**

Smile.

##### **Friday**

Library  
3 min timed multiplication test  
weekly homework due  
MCA practice testing /  
Test skills

#### **News of Note:**

MCA testing is coming up. Test dates are April 15, 16, 22, 23, 29, 30. These are important tests. Please try not to schedule appointments or activities that in which your student would need to miss school on these days. A good nights rest is important, too. So mark your calendars. We will be taking some practice tests starting this week, and learning about test taking skills: some common sense approaches that make testing less stressful.

#### **Math:**

4<sup>th</sup> graders take an alternative post test to unit #8 on Monday, and will begin unit #9 on Tuesday or Wednesday. 5<sup>th</sup> graders are working on unit # 9 graph coordinates.

#### **Social Studies:**

5<sup>th</sup> graders will begin a unit on the Civil War.

#### **Science:**

4<sup>th</sup> graders will begin a unit on water.

#### **Writing:**

Collecting around our essays, organizing them into cohesive essays.

**Reading:** We have covered some important skills in reading: questioning, clarifying, visualizing, and connecting the text to our own lives or other texts. In our current story we cover making inferences. Good readers make inferences all the time,
