News of Note:

It was so wonderful to meet / see so many of you at conferences last week. We had a great turn out with 26 out of 28 parents / guardians coming to hear about their student's progress.

Math:

4th graders: unit three post test will be Monday or Tuesday. Then we will begin unit four on decimals and their use.

5th graders: are in the midst of unit three working on angle measures and using a protractor.

Social Studies:

5th graders are organizing all the notefacts they gathered on their Revolutionary person, preparing them for a paper, brochure or a presentation board.

Science:

4th graders are learning how to take and use notefacts while preparing a piece about Thomas Edison.

Reading:

We are reading a story called Prot and Krot about two amazing guys, (really!) and one very generous soldier.

Writing:

Students are wrapping up their personal narratives.

Due to interest the whole class is learning powerpoint and will be doing a slide show to familiarize them with its functions.
